TEAS Plus Application (Version 5.4)

NOTE: For an instructional video providing an overview of the most important issues you should be aware of when filing a trademark application, [click here](#).

To file the application electronically, please complete the following steps:

1. Answer the first question below to create an application form showing only sections relevant to your specific filing.
2. For help at any point, click on any underlined word on any page.
3. After answering the first wizard question, click on the CONTINUE button at bottom of the page.
4. Once in the actual form, complete all fields with a * symbol, since they are mandatory fields for TEAS filing purposes.
5. Validate the form, using the "Validate" button at the end of the form. If there are errors, return to the form to make the correction. A "Warning" may be corrected or by-passed.
6. Double-check all entries through the links displayed on the Validation page.
7. You may save your work for submission at a later time by clicking on the Download Portable Data button at the bottom of the Validation page.
8. When ready to file, use the Pay/Submit button at the bottom of the Validation page. This will allow you to choose from three (3) different payment methods: credit card, automated deposit account, or electronic funds transfer.
9. After accessing the proper screen for payment, and making the appropriate entries, you will receive a confirmation screen if your transmission is successful. This screen will say SUCCESS! and will provide your assigned serial number.
10. You will receive an e-mail acknowledging receipt of your submission, which will include the assigned serial number and provide a summary of your submission.

Once you submit this application, we will not cancel the filing or refund your fee. The fee is a processing fee, which we do not refund even if we cannot issue a registration after our substantive review.

Important: ONCE YOU SUBMIT AN APPLICATION ELECTRONICALLY, THE USPTO WILL IMMEDIATELY ISSUE AN ELECTRONIC ACKNOWLEDGMENT OF RECEIPT. Please contact TEAS@uspto.gov if you do not receive this acknowledgment within 24 hours of transmission.

Contact Points:

- **General trademark information:** Please review the information posted at [Where Do I Start](#). If you have remaining questions, e-mail TrademarkAssistanceCenter@uspto.gov, or telephone 1-800-786-9199.
- **Help:** For instructions on how to *use* the electronic forms, or help in resolving *technical* glitches, please e-mail TEAS@uspto.gov. Please include your telephone number in your e-mail, so we can talk to you directly, if

necessary. Also, include the relevant serial number or registration number, if existing.

NOTE: The TEAS Support Team focuses on problems related to the process of completing the electronic forms, **not** on what information would be correct for entry within a form, or other broader trademark issues. Please route those types of inquiries to the Trademark Assistance Center. However, please be aware that neither group can provide any sort of information in the nature of "legal advice." For legal advice, please consider contacting an attorney who specializes in intellectual property.

- **Bug Report:** If you think there is a "bug" within one of the electronic forms, please click [Bug Report](#).
- **Status Information:** For an application with an assigned serial number, check the [Trademark Status & Document Retrieval \(TSDR\)](#) system to view current status information, as well as the complete prosecution history. Do **not** attempt to check the status of a filing until at least 7-10 days after submission of the filing, to allow sufficient time for all USPTO databases to be updated. You can view **all** items listed in the prosecution history section online via the [TSDR](#) system, including all Office actions sent by the USPTO.

WARNING: This form has a session time limit of 60 minutes. Your "session" began as soon as you accessed this initial Form Wizard page. If you exceed the 60-minute time limit, the form will not validate and you must begin the entire process again; you can, however, [extend the time limit](#). You should always try to have all information required to complete the form prior to starting any session.

1. Is an [attorney](#) filing this application?

Yes No

2. [OPTIONAL] To access **previously-saved data**, use the "Browse/Choose File" button below to access the file from your local drive. **NOTE: For specific instructions, please click [here](#). FAILURE TO FOLLOW THESE NEW INSTRUCTIONS WILL RESULT IN THE DISPLAY OF YOUR DATA IN AN XML FORMAT THAT CANNOT BE EDITED.** **NOTE: Do NOT attempt to use the button below to upload an image file (for example, a specimen). You must use the button that will be presented for that purpose *within the proper section of the actual form*.**

Mark Information

Before the USPTO can register your mark, exactly what the mark is must be clear. You may present your [mark](#) in one of the following ways: (1) [standard characters](#), if not claiming a particular font, style, size, and/or color; (2) [special form](#), if the mark includes a design or word(s) combined with a design, or is displayed in a particular font, style, size, and/or color; or (3) non-visual sound mark (for this type of mark, you should include a musical score, and an audio file, as well as a detailed mark description). Do **not** upload your specimen of use (sample of actual use, e.g., a label or advertisement) here. This will be required in a different part of the form (if appropriate for your filing basis). **WARNING:** You may submit only **one** mark per application, if your application includes multiple marks, it may be denied a filing date or refused registration.

When you click on one of the three circles presented below, and follow the specific instructions, the form will automatically create a separate page that displays the mark for which you are applying or permits the applicant to attach an audio file for a sound mark. Please carefully review this page prior to final submission to the USPTO, to ensure that it accurately depicts or represents your mark. You may not be permitted to [change or correct your mark](#) after filing this application. While minor changes in the mark may *sometimes* be permitted, changes that result in a [material alteration](#) of the mark as originally filed will result in the USPTO issuing a refusal on that ground.

WARNING: AFTER YOU FINISH [SEARCHING](#) THE USPTO DATABASE FOR POTENTIALLY CONFLICTING MARKS, EVEN IF YOU THINK THERE ARE NO CONFLICTING MARKS, DO NOT ASSUME THAT YOUR MARK WILL AUTOMATICALLY REGISTER. AFTER YOU FILE THE APPLICATION, THE USPTO WILL CONDUCT ITS OWN DATABASE SEARCH AND COMPLEX LEGAL REVIEW, AND MAY [REFUSE TO REGISTER](#) YOUR MARK ON THAT OR ANOTHER BASIS.

NOTE: For an instructional video on the importance of conducting a search of existing trademarks or service marks before filing your application, [click here](#).

NOTE: For an instructional video explaining how to fill out the Mark Information page, [click here](#).

Enter the mark here: (Note: The entry can be in capital letters, lower case letters, or a combination thereof. Do **not** include the TM, SM, ®, or © symbols after the mark entry, because they are **not** part of the actual mark. If using Internet Explorer, the entry cannot exceed **2036** characters; otherwise, you must switch to another browser.)

NOTE: For how the USPTO determines what the display of the entered mark will be, click [here](#).

NOTE: For information about mark display in USPTO databases, click [here](#)

The "Additional Statement" section of this form is used to enter various legal or informational statement(s) that may pertain to the mark; for example, a disclaimer or English translation. Because you are filing under **TEAS Plus**, you must enter the following, **if applicable within the facts of your application:** (1) claim of prior registration(s); (2) translation; (3) transliteration; (4) consent of individual identified in mark; and (5) concurrent use claim. You are not required to enter any other statement(s) at the time of filing; however, you may be required to add a statement(s) to the record during examination of the application. If you are unsure whether you should make such a statement,

besides those specifically identified above, the examining attorney assigned to your application will issue a requirement, if appropriate.
Check here to display the full listing of additional statements from which you may make your selection.

NOTE: For an instructional video explaining how to fill out the Mark Information page, [click here](#).

Click on the "Browse/Choose File" button to select a [properly-sized JPG image file](#) (the only accepted format) from your local drive. This image should show the mark exactly as you would wish the mark to appear on your registration certificate, if the mark registers. If you are claiming color, you **must** submit a color image; otherwise, the image must be clear [black and white](#). After the file name appears in the window, click on the "Attach" button to upload the file into the application. A "thumbnail" version of the image will then display directly within the form.

NOTE: The image files for, respectively, the mark and the specimen (if filing under Section 1(a), use in commerce, and showing

actual use in commerce of the mark at the time of this filing) should **NOT** be the same files (or, even if different files, should **not** display essentially the exact same thing). The mark image file should **ONLY** show the mark by itself, and **not** a representation of how the mark is used on the overall packaging for the goods or within an advertisement for services, for example. On the other hand, an image file that shows the complete package for the goods or a full advertisement for the services, with the mark clearly displayed thereon or within, would be an appropriate attachment for a specimen in the later "basis" section of the form (which only appears where a Section 1(a) filing basis is being claimed).

For any image that also includes a word(s), letter(s), punctuation, and/or number(s), enter the [LITERAL ELEMENT](#) only of the mark here:

NOTE: Do **NOT** enter any word(s), letter(s), punctuation, and/or number(s) that do not appear in the attached image file. Leave this space blank if your mark consists only of design elements. The image file **must** include **all** elements of the mark; *i.e.*, if your mark consists of a design and word(s), letter(s), punctuation, and/or number(s), the image file must include all of these elements. Any entry in the [literal element](#) field that is not found in the attached image file will **not** be considered part of the mark.

* If claiming color as a feature of the mark, list the colors below, including black and/or white if actual "colors" within the mark (*e.g.*, enter red, white, and blue). Begin the entry with a lower-case, **NOT** an upper-case, letter. (Entry required for color marks only.)

The color(s) _____ is/are claimed as a feature of the mark.

Check this box if you are **NOT** claiming color as a feature of the mark. **NOTE: Check *only* if you believe your image is black and white, yet you received after clicking the "CONTINUE" button a WARNING about color within the mark (perhaps because the image consists of too much grayscale); otherwise, do **not** check this box, because the attached image was automatically accepted as black and white.**

* Enter a complete and accurate [description](#) of the entire mark below, being sure to include **ALL literal elements** and/or design elements that are found in the attached mark image, but **NOT** including any element not appearing in the image. If a color mark, you must specify the color(s) that are part of the mark, including black and white, and also state the location thereof in the mark image.

The mark consists of: (do NOT repeat this language)

. (end period is automatic)

NOTE: A description of the mark is required for **ALL** marks that are in a special form or a sound/motion mark (*i.e.*, for any mark not in standard characters). You must enter a description even if what the mark represents is immediately clear, *e.g.*, "the letter C." Also, for any color mark, the description of the mark must include the nature and location of the color; *i.e.*, you must specifically state where each color is located within the mark, *e.g.*, "a bird with a red body, blue wings, and yellow beak."

NOTE: Do **NOT** include as part of the description either the words "The mark consists of" or a final period, because that introductory wording and the punctuation will automatically be added after validation; otherwise, the overall description will have improper repetitions. Also, begin the entry with a lower-case, **NOT** an upper-case, letter.

The "Additional Statement" section of this form is used to enter various legal or informational statement(s) that may pertain to the mark; for example, a disclaimer or English translation. Because you are filing under **TEAS Plus**, you must enter the following, **if applicable within the facts of your application:** (1) claim of prior registration(s); (2) translation; (3) transliteration; (4) consent of individual identified in mark; and (5) concurrent use claim. You are not required to enter any other statement(s) at the time of filing; however, you may be required to add a statement(s) to the record during examination of the application. If you are unsure whether you should make such a statement, besides those specifically identified above, the examining attorney assigned to your application will issue a requirement, if appropriate.

Check here to display the full listing of additional statements from which you may make your selection.

[Additional Statement](#)

To select a statement, enter any required information specific to your mark or, for some statements, check the box in front of the statement. If, after making a selection, you realize that no statement is needed, you must click on the box that produced this section of the form to "uncheck" it, and the entire "Additional Statement" section below will be removed. NOTE: As a general rule, for disclaimers, translations and transliterations, consents, or an explanation of the mark's significance, include only words that are in the mark within quotation marks in the text boxes below.

NOTE: For an instructional video on the Additional Statements section of the form, [click here](#).

WARNING: Additional statements are not commonly used and are for special circumstances that only exist in certain applications. Selecting items that do not apply may delay the processing of your application. HOWEVER, for any field below designated with an asterisk (*), you must make an entry to maintain TEAS Plus status, if applicable within the facts of the application. Failure to do so will result in the examining attorney requiring the payment of an additional \$50 fee per class, because the application will lose its TEAS Plus status.

DISCLAIMER: No claim is made to the exclusive right to use _____ apart from the mark as shown.

STIPPLING AS A FEATURE OF THE MARK: The stippling is a feature of the mark and does not indicate color.

STIPPLING FOR SHADING: The stippling is for shading purposes only.

* **ACTIVE PRIOR REGISTRATION(S):** The applicant claims ownership of active prior U.S. Registration Number(s) _____,

* **TRANSLATION:** (Required if warranted by facts of application.)

The English translation of _____ in the mark is _____.

The wording _____ has no meaning in a foreign language.

* **TRANSLITERATION:** (Required if warranted by facts of application.) (NOTE: Not required for any standard character marks.)

The non-Latin characters in the mark transliterate to _____ and this means _____ in English.

The non-Latin characters in the mark transliterate to _____ and this has no meaning in a foreign language.

The name(s), portrait(s), and/or signature(s) shown in the mark does not identify a particular living individual.

USE OF THE MARK IN ANOTHER FORM: The mark was first used anywhere in a different form other than _____ that sought to be registered at least as early as _____ and in commerce at least as early as _____.

NOTE: If the use in another form claim does not relate to all classes in a multiple-class application, specify within the miscellaneous statement section, below, the exact class(es) the claim covers.

* **CONCURRENT USE**: Enter the [appropriate concurrent use information](#) in the text box immediately below.

WARNING: To assert concurrent use, you **must**: (1) have selected a Section 1(a) filing basis, which indicates you are using your mark in commerce; AND (2) (i) intend to initiate a legal proceeding before the Trademark Trial and Appeal Board or have obtained a Board determination from a prior proceeding establishing that you are entitled to a concurrent registration; or (ii) have obtained a final court determination establishing your concurrent right to use the same or similar mark in commerce in a limited geographic area.

Goods/Services Information

Instructions:

Step 1: Click on the "Add Goods/Services by Searching IDManual" button below to select goods/services from the *Manual of Trademark Acceptable Identifications of Goods & Services (IDManual)*.

Step 2: After creating the complete list of goods/services for this application, you will then be able in the next section of the form to designate the filing basis (or bases) appropriate for each listed item.

NOTE:

1. Your selection of goods/services must be precise and accurate. Do NOT simply select a listing that is "close" to your goods/services. If you do not find a listing that accurately identifies your goods/services, you may e-mail TMIDSUGGEST@uspto.gov to request that your identification be added to the IDManual, and then wait for the addition before filing using TEAS Plus. For more information on this process, click [here](#). If your request is not approved or you wish to file immediately, you must use the regular TEAS form.
2. The TEAS Plus version of the IDManual intentionally does not include the following: (1) items classified in Classes A, B, or 200, because those marks are not eligible for filing under TEAS Plus; (2) any listings that appear in the "regular" manual under "000," because correct classification is required under TEAS Plus, and classification for these listings varies according to the additional information provided within the listing; and (3) the Class 25 listing of "Clothing, namely, ...", because this entry is too open-ended, and could result in items being listed that do not truly fall within this class. Since specific clothing items must be listed anyway, the TEAS Plus version of the form requires the *initial* selection of those specific items.
3. Some entries include instructional language beneath the actual entry, within < > symbols. This language is only to assist in the proper selection of an entry, and will NOT be included as part of the actual identification after the checked entry is inserted into the form.
4. If you cannot access the IDManual through the "Add Goods/Services by Searching IDManual" button, try switching to another browser. If after changing browsers you still cannot access the IDManual through the "Add Goods/Services by Searching IDManual" button, please contact TEAS@uspto.gov.

WARNING: This form has a session time limit of 60 minutes. Your "session" began as soon as you accessed the initial Form Wizard page. If you exceed the 60-minute time limit, the form will not validate and you must begin the entire process again; you can, however, extend the time limit. You should always try to have all information required to complete the form prior to starting any session.

WARNING: The ID manual has a session limit of 30 minutes. If you will be working within the IDManual for an extended period of time, it is critical that you keep your form session "alive." To do so, it is recommended that you select no more than 20 entries at a time, then click the "Insert Check Entries" button. On the next page that displays all of your selections, use the "Add Goods/Services by Searching IDManual" button to return to the IDManual to continue the process; repeat this process until all of your items are displayed in the overall listing on the page for assigning a filing basis.

Search for:

Instructions:

Step 1: Enter a word or phrase to search for Goods/Services.

- Search requests can be for a single item (e.g., pants), or multiple items (e.g., pants shirts shoes). While also possible to search for goods/services in different classes at the same time (e.g., pants baseballs), separate searches are recommended. The form will compile an "overall goods/services list," regardless of the search approach.

NOTE: Most manual entries are displayed in the plural. e.g., the entry is "soups," rather than "soup." While entering the search term "soup" will retrieve "soups," it would first be preceded by other listings, e.g., "soup tureens" and "soup mixes."

- To search for an entry where the single entry consists of multiple words, enclose the complete entry within quotation marks; e.g., enter "computer programs" rather than computer programs.
- To browse the complete listing of items in one or more classes, enter the following search criteria: class:NNN or class:(NNN NNN etc.), where NNN is the 3-digit International class number; e.g., to search for all items in International Class 3, enter class:003; for all items in International Classes 25 and 42, enter class:(025 042).
- For a listing of all International class headings, including a summary of the types of items within each class, click [here](#).
- For more information about using advanced query syntax (e.g., using truncation), click [here](#).

Step 2: Once the desired search criteria has been entered, click the "Go" button, and then all manual entries containing the requested term(s) will be displayed.

NOTE: Because the interfaces for TEAS and the *Trademark Acceptable Identification of Goods & Services Manual* differ, results for identical searches performed in each may vary slightly, even though both access the same data source.

(2) All information you submit to the USPTO at any point in the application and/or registration process will become public record, including your name, phone number, e-mail address, and street address. For any information that may be subject to copyright protection, by submitting it to the USPTO, the filer is representing that he or she has the authority to grant, and is granting, the USPTO permission to make the information available in its on-line database and in copies of the application or registration record.

(3) Be aware that private companies **not** associated with the USPTO often use trademark application and registration information from the USPTO's databases to [mail or e-mail trademark-related solicitations](#) (samples of non-USPTO solicitations included).

If you have read and understand the above notice, please check the box before you click on the **Pay/Submit** button.

■ **STEP 5:** If you are ready to file electronically:
