Certification Mark Form, Principal Register

Version 5.8

NOTE: For an instructional video providing an overview of the most important issues you should be aware of when filing a trademark application, click here.

To file the application electronically, please complete the following steps:

1. Answer the first question below to create an application form showing only sections relevant to your specific filing.
2. For help at any point, click on any underlined word on any page.
3. After answering the first wizard question, click on the CONTINUE button at bottom of the page.
4. Once in the actual form, complete all fields with a * symbol, since they are mandatory fields for TEAS filing purposes.
5. Validate the form, using the "Validate" button at the end of the form. If there are errors, return to the form to make the correction. A "Warning" may be corrected or by-passed.
6. Double-check all entries through the links displayed on the Validation page.
7. You may save your work for submission at a later time by clicking on the Download Portable Data button at the bottom of the Validation page.
8. When ready to file, use the Pay/Submit button at the bottom of the Validation page. This will allow you to choose from three (3) different payment methods: credit card, automated deposit account, or electronic funds transfer.
9. After accessing the proper screen for payment, and making the appropriate entries, you will receive a confirmation screen if your transmission is successful. This screen will say SUCCESS! and will provide your assigned serial number.
10. You will receive an e-mail acknowledging receipt of your submission, which will include the assigned serial number and provide a summary of your submission.

Once you submit this application, we will not cancel the filing or refund your fee. The fee is a processing fee, which we do not refund even if we cannot issue a registration after our substantive review.

Important: ONCE YOU SUBMIT AN APPLICATION ELECTRONICALLY, THE USPTO WILL IMMEDIATELY ISSUE AN ELECTRONIC ACKNOWLEDGMENT OF RECEIPT. Please contact TEAS@uspto.gov if you do not receive this acknowledgment within 24 hours of transmission.

Contact Points:

- General trademark information: Please review the information posted at Where Do I Start. If you have remaining questions, e-mail TrademarkAssistanceCenter@uspto.gov, or telephone 1-800-786-9199.
- Help: For instructions on how to use the electronic forms, or help in resolving technical glitches, please e-mail TEAS@uspto.gov. Please include your telephone number in your e-mail, so we can talk to you directly, if
necessary. Also, include the relevant serial number or registration number, if existing.

**NOTE:** The TEAS Support Team focuses on problems related to the process of completing the electronic forms, not on what information would be correct for entry within a form, or other broader trademark issues. Please route those types of inquiries to the Trademark Assistance Center. However, please be aware that neither group can provide any sort of information in the nature of "legal advice." For legal advice, please consider contacting an attorney who specializes in intellectual property.

- **Bug Report:** If you think there is a "bug" within one of the electronic forms, please click Bug Report.
- **Status Information:** For an application with an assigned serial number, check the Trademark Status & Document Retrieval (TSDR) system to view current status information, as well as the complete prosecution history. Do not attempt to check the status of a filing until at least 7-10 days after submission of the filing, to allow sufficient time for all USPTO databases to be updated. You can view all items listed in the prosecution history section online via the TSDR system, including all Office actions sent by the USPTO.

**WARNING:** This form has a session time limit of 60 minutes. Your "session" began as soon as you accessed this initial Form Wizard page. If you exceed the 60-minute time limit, the form will not validate and you must begin the entire process again; you can, however, extend the time limit. You should always try to have all information required to complete the form prior to starting any session.

### 1. Please select one of the filing options below.

- **TEAS Reduced Fee (TEAS RF):** I am filing a TEAS RF application, with a reduced fee of $275 per class of goods/services. **TEAS RF Requirements:** (1) Provide a valid e-mail address; (2) authorize the USPTO to send e-mail correspondence concerning the application; and (3) agree to use the Trademark Electronic Application System when filing any relevant application-related submissions. Failure to comply with these requirements will incur an additional processing fee of $125 per class of goods/services.

- **TEAS Regular:** I am filing a TEAS Regular application, with a fee of $400 per class of goods/services. TEAS Regular applicants are strongly encouraged, although not required, to authorize e-mail correspondence and use the Trademark Electronic Application System for subsequent application-related submissions.

### 2. Is an attorney filing this application?

- Yes  
- No

### 3. **[OPTIONAL]** To access previously saved data, use the "Browse/Choose File" button below to access the file from your local drive. **NOTE:** For specific instructions, please click here. **FAILURE TO FOLLOW THESE NEW INSTRUCTIONS WILL RESULT IN THE DISPLAY OF YOUR DATA IN AN XML FORMAT THAT CANNOT BE EDITED.** **NOTE:** Do NOT attempt to use the button below to upload an image file (for example, a specimen). You must use the button that will be presented for that purpose within the proper section of the actual form.

Version 5.8

Mark Information

Before the USPTO can register your mark, exactly what the mark must be clear. You may present your mark in one of the following ways: (1) standard characters, if not claiming a particular font, style, size, and/or color; (2) special form, if the mark includes a design or word(s) combined with a design, or is displayed in a particular font, style, size, and/or color; or (3) non-visual sound mark (for this type of mark, you should include a musical score, and an audio file, as well as a detailed mark description). Do not upload your specimen of use (sample of actual use, e.g., a label or advertisement) here. This will be required in a different part of the form (if appropriate for your filing basis). WARNING: You may submit only one mark per application, if your application includes multiple marks, it may be denied a filing date or refused registration.

When you click on one of the three circles presented below, and follow the specific instructions, the form will automatically create a separate page that displays the mark for which you are applying or permits the applicant to attach an audio file for a sound mark. Please carefully review this page prior to final submission to the USPTO, to ensure that it accurately depicts or represents your mark. You may not be permitted to change or correct your mark after filing this application. While minor changes in the mark may sometimes be permitted, changes that result in a material alteration of the mark as originally filed will result in the USPTO issuing a refusal on that ground.

WARNING: AFTER YOU FINISH SEARCHING THE USPTO DATABASE FOR POTENTIALLY CONFLICTING MARKS, EVEN IF YOU THINK THERE ARE NO CONFLICTING MARKS, DO NOT ASSUME THAT YOUR MARK WILL AUTOMATICALLY REGISTER. AFTER YOU FILE THE APPLICATION, THE USPTO WILL CONDUCT ITS OWN DATABASE SEARCH AND COMPLEX LEGAL REVIEW, AND MAY REFUSE TO REGISTER YOUR MARK ON THAT OR ANOTHER BASIS.

NOTE: For an instructional video on the importance of conducting a search of existing trademarks or service marks before filing your application, click here.

* Click the appropriate circle to indicate the Mark type:

- Standard Characters
- Special Form (Stylized and/or Design)
- Sound mark

NOTE: For an instructional video on the importance of selecting the proper mark type, click here.

NOTE: For an instructional video explaining how to fill out the Mark Information page, click here.

Enter the mark here: (Note: The entry can be in capital letters, lower case letters, or a combination thereof. Do not include the ™, ®, © symbols after the mark entry, because they are not part of the actual mark. If using Internet Explorer, the entry cannot exceed 2036 characters; otherwise, you must switch to another browser.)

NOTE: For information about mark display in USPTO databases, click here.

The "Additional Statement" section of this form is used to enter various legal or informational statement(s) that may pertain to the mark; for example, a disclaimer or English translation. You are not required to enter any of these statement(s) at the time of filing; however, you may be required to add a statement(s) to the record during examination of the application. If you are unsure whether you should make such a statement, the examining attorney assigned to your application will issue a requirement, if appropriate.

Mark Information

Before the USPTO can register your mark, exactly what the mark is must be clear. You may present your mark in one of the following ways: (1) **standard characters**, if not claiming a particular font, style, size, and/or color; (2) **special form**, if the mark includes a design or word(s) combined with a design, or is displayed in a particular font, style, size, and/or color; or (3) non-visual sound mark (for this type of mark, you should include a musical score, and an audio file, as well as a detailed mark description). Do **not** upload your specimen of use (sample of actual use, e.g., a label or advertisement) here. This will be required in a different part of the form (if appropriate for your filing basis).

**WARNING:** You may submit only one mark per application, if your application includes multiple marks, it may be denied a filing date or refused registration.

When you click on one of the three circles presented below, and follow the specific instructions, the form will automatically create a separate page that displays the mark for which you are applying or permits the applicant to attach an audio file for a sound mark. AFTER YOU FILE THE APPLICATION, THE USPTO WILL CONDUCT ITS OWN DATABASE SEARCH AND COMPLEX LEGAL REVIEW, AND MAY **REFUSE TO REGISTER** YOUR MARK ON THAT OR ANOTHER BASIS.

**NOTE:** For an instructional video on the importance of selecting the proper mark type, [click here](#).

**NOTE:** For an instructional video explaining how to fill out the Mark Information page, [click here](#).

Click on the "Browse/Choose File" button to select a **properly-sized JPG image file** (the only accepted format) from your local drive. This image should show the mark exactly as you would wish the mark to appear on your registration certificate, if the mark registers. If you are claiming color, you **must** submit a color image; otherwise, the image must be clear **black and white**. After the file name appears in the window, click on the "Attach" button to upload the file into the application. A "thumbnail" version of the image will then display directly within the form.

**NOTE:** The image files for, respectively, the mark and the specimen (if filing under Section 1(a), use in commerce, and showing...
actual use in commerce of the mark at the time of this filing) should NOT be the same files (or, even if different files, should not
display essentially the exact same thing). The mark image file should ONLY show the mark by itself, and not a representation of how
the mark is used on the overall packaging for the goods or within an advertisement for services, for example. On the other hand,
after the mark clearly displayed thereon or within, would be an appropriate attachment for a specimen in the later "basis" section of the form (which only appears
where a Section 1(a) filing basis is being claimed).

For any image that also includes a word(s), letter(s), punctuation, and/or number(s), enter the LITERAL
ELEMENT only of the mark here:

NOTE: Do NOT enter any word(s), letter(s), punctuation, and/or number(s) that do not appear in the attached image file. Leave this
space blank if your mark consists only of design elements. The image file must include all elements of the mark; i.e., if your mark
consists of a design and word(s), letter(s), punctuation, and/or number(s), the image file must include all of these elements. Any
entry in the literal element field that is not found in the attached image file will NOT be considered part of the mark.

* If claiming color as a feature of the mark, list the colors below, including black and/or white if actual "colors" within the mark (e.g., enter red, white, and blue). Begin the entry with a lower-case, NOT an upper-case, letter. (Entry required for color marks only.)

   The color(s) is/are claimed as a feature of the mark.

☐ Check this box if you are NOT claiming color as a feature of the mark. NOTE: Check only if you believe your image is black and white, yet you received after clicking the "CONTINUE" button a WARNING about color within the mark (perhaps because the image consists of too much grayscale); otherwise, do not check this box, because the attached image was automatically accepted as black and white.

* Enter a complete and accurate description of the entire mark below, being sure to include ALL literal elements and/or design elements that are found in the attached mark image, but NOT including any element not appearing in the image. If a color mark, you must specify the color(s) that are part of the mark, including black and white, and also state the location thereof in the mark image.
The mark consists of: (do NOT repeat this language)

   (end period is automatic)

NOTE: A description of the mark is required for ALL marks that are in a special form or a sound/motion mark (i.e., for any mark not in standard characters). You must to enter a description even if what the mark represents is immediately clear, e.g., "the letter C." Also, for any color mark, the description of the mark must include the nature and location of the color; i.e., you must specifically state where each color is located within the mark, e.g., "a bird with a red body, blue wings, and yellow beak."

NOTE: Do NOT include as part of the description either the words "The mark consists of" or a final period, because that introductory wording and the punctuation will automatically be added after validation; otherwise, the overall description will have improper repetitions. Also, begin the entry with a lower-case, NOT an upper-case, letter.

The "Additional Statement" section of this form is used to enter various legal or informational statement(s) that may pertain to the mark; for example, a disclaimer or English translation. You are not required to enter any of these statement(s) at the time of filing; however, you may be required to add a statement(s) to the record during examination of the application. If you are unsure whether you should make such a statement, the examining attorney assigned to your application will issue a requirement, if appropriate.

Basis for Filing

NOTE: For an instructional video on what is meant by "basis for filing," click here.
NOTE: For an instructional video explaining how to fill out the Filing Basis page, click here.

The applicant requests that the Certification mark identified on the preceding page be registered with the USPTO on the Principal Register for the class(es) and goods/services displayed below, and asserts herein the specific basis(es) that covers the listed goods/services.

Instructions for assigning filing basis(es):
After selecting a class number (if known) and entering the goods/services listing for that class, you may assign a specific filing basis, or if appropriate, multiple bases. For an explanation of the possible filing basis(es), as identified by the 4 buttons beneath the listing of goods/services, click here.

For complete step-by-step instructions on how to correctly assign the filing basis(es), click on the heading that corresponds to the relevant factual scenario, see below. For examples of filings corresponding to each of the heading descriptions, click on the link “Examples.”

- One class or multiple classes, with ONE filing basis for ALL listed items Examples
  NOTE: This is the most common choice. The following are other options, but they are much less common:
- One class or multiple classes, with same multiple filing bases for ALL listed items in class(es) Examples
- One class, with different filing basis(es) for different goods/services within the same class Examples
- Multiple classes, with different filing basis(es) for different overall classes Examples

NOTE - INSTRUCTIONAL VIDEOS AVAILABLE REGARDING GOODS/SERVICES IN AN APPLICATION: For a video on goods/services and the importance of making a proper identification selection, click here, and for an instructional video explaining how to fill out the Goods/Services page in this application, click here.

Instructions:
Enter the common commercial name for the specific goods/services associated with your mark. Failure to list your goods/services accurately could prevent registration. Separate each specific item with a semicolon or comma.

ALSO:
- Do not enter a Class Number/Letter in the text box below.
- Do not include html or other programming code or language that may create embedded links.
- Do not use abbreviations, brackets ([]), or braces ({}).

You should review the USPTO Goods/Services ID Manual (ID Manual) before entering items below. You are not required to use an entry from the ID Manual; however, if your entry is not from the ID Manual, you must describe your goods/services in specific, clear, and concise terms.
NOTE: The 4 BUTTONS below identify the choices of filing basis to be assigned to the items listed in the table, above. For an explanation of each basis, click here. Because assignment of the correct basis to each item is critical, please read the explanations if you have any questions as to which basis(es) to select, before clicking the button(s), below, to begin the assignment of the basis(es). Since assignment of a filing basis is not a requirement within this form, you can by-pass this step by clicking on the Continue button, below, if necessary.

WARNING: Registration Subject to Cancellation for Fraudulent Statements
You must ensure that statements made in filings to the USPTO are accurate, as inaccuracies may result in the cancellation of a trademark registration. The lack of a bona fide intention to use the mark with all goods/services included in an application, or the lack of use on all goods/services for which you claim use, could jeopardize the validity of the registration and result in its cancellation.

CERTIFICATION

Enter into the "Certification Statement" field below, a statement specifying what the applicant is certifying about the goods/services in the application; i.e., the characteristic(s), standard(s), or other feature(s) of the goods/services that is certified or intended to be certified by the mark. The following format is suggested: The certification mark, as used or intended to be used by persons authorized by the certifier, certifies or is intended to certify that the goods/services provided have ________ {<specify>}.

Enter up to 4 addresses, separated by either a **semicolon** or a **comma**.
Only one e-mail address may be used for correspondence, in accordance with USPTO policy. The applicant must keep this address current in the USPTO's records.

☐ I authorize the USPTO to send e-mail correspondence concerning the application to the applicant, the applicant's attorney, or the applicant's domestic representative at the e-mail address provided above. I understand that a valid e-mail address must be maintained and that the applicant or the applicant's attorney must file the relevant subsequent application-related submissions via the Trademark Electronic Application System (TEAS). Failure to do so will result in the loss of TEAS Reduced Fee status and a requirement to submit an additional processing fee of $125 per international class of goods/services.

NOTE: By checking this box, the appointed attorney acknowledges that it is solely responsible for receipt of USPTO documents sent via e-mail. The appointed attorney should periodically check the status of the application through the TSDR system, to see if the assigned examining attorney has e-mailed an Office action. If an action has been sent to the provided e-mail address, the USPTO is not responsible for any e-mail not received due to the applicant's, the applicant's appointed attorney's, or the applicant's domestic representative's security or anti-spam software, or any problems within the applicant's, the applicant's appointed attorney's, or the applicant's domestic representative's e-mail system. All sent actions can be viewed on-line, via the TSDR system.

Fee Information

NOTE: The total fee is computed based on the filing option selected (regular TEAS or TEAS RF) and the number of classes in which the goods/services associated with the mark are classified. Because, in a Certification Mark application, all goods are classified in Class A, while all services are classified in Class B, the Certification Mark application form is preset to allow a maximum payment of two classes. In order to ensure that the total submitted payment is correct, please review the displayed information and, if necessary, manually adjust the Total Fee Paid amount, using the pull-down box to select the correct fee amount.

NOTE: For an instructional video on the fee and signature information sections, click here.

Note: Three payment options (credit card, automated deposit account, and Electronic Funds Transfer) will appear after clicking on the Pay/Submit button, which is available on the bottom of the Validation Page after completing and validating this form.

Text Form for Handwritten Signature Scanning

This option uses a Text Form (available after clicking on the Validate button) that will be signed by the proper signatory(ies) in the traditional "pen-and-ink" manner. Or, if you already have a signed declaration for this application, you can attach it directly here, rather than relying on the USPTO's text form version. NOTE: If you are using the Text Form approach, you must after validation save the application data, and then pull up the saved form to attach the scanned file for final submission.

Click on the Browse/Choose File button to select file that contains the scanned declaration/signature from your local drive. The scanned file should only include the declaration language with the appropriate signature information (signature, signatory's name, signatory's position, and signature date). Do not include the entire application, but do ensure that the boilerplate declaration language appears; i.e., a signature by itself is not acceptable absent the required declaration language.

NOTE: The same person may sign the declaration on behalf of the other joint applicant(s), by merely making identical entries. The USPTO will presume that the one person who has signed was, in fact, authorized to sign on behalf of the other person(s).

Important Notice:

(1) Once you submit this application, we will not cancel the filing or refund your fee. The fee is a processing fee, which we do not refund even if we cannot issue a registration after our substantive review. This is true regardless of how soon after submission you might attempt to request cancellation of the filing. Therefore, please review ALL information carefully prior to transmission.

(2) All information you submit to the USPTO at any point in the application and/or registration process will become public record, including your name, phone number, e-mail address, and street address. By filing this application, you acknowledge that YOU HAVE NO RIGHT TO CONFIDENTIALITY in the information disclosed. The public will be able to view this information in the USPTO's on-line databases and through internet search engines and other on-line databases. This information will remain public even if the application is later abandoned or any resulting registration is surrendered, cancelled, or expired. To maintain confidentiality of banking or credit card information, only enter payment information in the secure portion of the site after validating your form. For any information that may be subject to copyright protection, by submitting it to the USPTO, the filer is representing that he or she has the authority to grant, and is granting, the USPTO permission to make the information available in its on-line database and in copies of the application or registration record.

(3) Be aware that private companies not associated with the USPTO often use trademark application and registration information from the USPTO's databases to mail or e-mail trademark-related solicitations (samples of non-USPTO solicitations included).

☐ If you have read and understand the above notice, please check the box before you click on the Pay/Submit button.

STEP 5: If you are ready to file electronically:
Click on the Pay/Submit button below, to access the site where you will select one of three possible payment methods. After successful entry of payment information, you can complete the submission to the USPTO. A valid transaction will result in a screen that says SUCCESS! Also, we will send an e-mail acknowledgment within 24 hours.

WARNING: Click on the Pay/Submit button ONLY if you are now entirely prepared to complete the Pay/Submit process. After clicking the button, you can NOT return to the form, since you will have left the TEAS site entirely. Once in the separate payment site, you must complete the Pay/Submit process within 30 minutes. If you are not prepared to complete the process now, you should select the "Download Portable Data" option to save your form, and then complete the Pay/Submit process later. Or, if you have discovered any error, use the "Go Back to Modify" button to make a correction.

WARNING: Fee payments by credit card may not be made from 2 a.m. to 6 a.m. Sunday, Eastern Standard Time. If you are attempting to file during that specific period, you must use either (1) the deposit account or electronic funds transfer payment method; or (2) the "Download Portable Data" option to save your form, and then complete the Pay/Submit process later for a credit card payment.
