DATE MAILED: 07/30/2012

Please find below and/or attached an Office communication concerning this application or proceeding.

**Notification of Non-Compliant Appeal Brief
(37 CFR 41.37)**

Application No.

10/430,594

Applicant(s)

Hirano, S., et. al.

Examiner

McAvoy, Ellen M.

Art Unit

1771

--The MAILING DATE of this communication appears on the cover sheet with the correspondence address--

The Appeal Brief filed on July 20, 2012 is defective for failure to comply with one or more provisions of 37 CFR 41.37(c).

To avoid dismissal of the appeal, applicant must file an amended brief or other appropriate correction (see MPEP 1205.03) within **ONE MONTH or THIRTY DAYS** from the mailing date of this Notification, whichever is longer.
EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136.

1. The brief does not contain the items required under 37 CFR 41.37(c), or the items are not under the proper heading or in the proper order.
2. (a) The brief does not contain a concise explanation of the subject matter defined in each of the rejected independent claims, referring to the specification in the Record by page and line number or by paragraph number and to the drawings, if any, by reference characters; and/or (b) the brief fails to identify, for each rejected independent claim and for each dependent claim argued separately that contains a means plus function or step plus function recitation under 35 U.S.C. 112, sixth paragraph, the structure, material, or acts described in the specification as corresponding to each claimed function with reference to the specification in the Record by page and line number or paragraph number, and to the drawings, if any, by reference characters (37 CFR 41.37(c)(1)(iii)).
3. The brief does not contain a correct copy of the appealed claims as an appendix thereto (37 CFR 41.37(c)(1)(v)).
4. Other (including any explanation in support of the above items):

Section III (or Section V), the Summary of Claimed Subject Matter, must identify and map all independent claims separately on appeal to the Specification by page and line number or paragraph number and/ or drawings if any by reference characters. The mappings are to the printed publication.

Mappings to any printed publications are not part of the official record and, thusly, cannot be accepted.

Another appeal brief in its entirety is not required; just the deleted section can be submitted.
