Subject: May 16th hearing

Rec'd #16
5/2/02

I was recently informed that few reservations to speak at the public hearing had been made by the 4/30/02 deadline. I would like the opportunity to speak at that hearing. If a guaranteed spot can not be made, please let me know if there is any other opportunities available to address the subject.

Reservation in the name of R. Lee Grantham.
