MARKS PUBLISHED FOR OPPOSITION

The following marks are published in compliance with section 12(a) of the Trademark Act of 1946. Applications for the registration of marks in more than one class have been filed as provided in section 30 of said act as amended by Public Law 772, 87th Congress, approved Oct. 9, 1962, 76 Stat. 769. Opposition under section 13 may be filed within thirty days of the date of this publication. See rules 2.101 to 2.105.

A separate fee of two hundred dollars for opposing each mark in each class must accompany the opposition.

SECTION 1.— INTERNATIONAL CLASSIFICATION

The short titles associated below with the international class numbers are terms designed merely for quick identification and are not an official part of the international classification. The full names of international classes are given in section 6.1 of the trademark rules of practice.

The designation “U.S. Cl.” appearing in this section refers to the U.S. class in effect prior to Sep. 1, 1973 rather than the international class which applies to applications filed on or after that date. For adoption of international classification see notice in the OFFICIAL GAZETTE of Jun. 26, 1973 (911 O.G. TM 210).

SECTION 2.— INTERNATIONAL CLASSIFICATION

The short titles associated below with the international class numbers are terms designed merely for quick identification and are not an official part of the international classification. The full names of international classes are given in section 6.1 of the trademark rules of practice.

The designation “U.S. Cl.” appearing in this section refers to the U.S. class in effect prior to Sep. 1, 1973 rather than the international class which applies to applications filed on or after that date. For adoption of international classification see notice in the OFFICIAL GAZETTE of Jun. 26, 1973 (911 O.G. TM 210).

TM 1044
NO CLAIM IS MADE TO THE EXCLUSIVE RIGHT TO USE "IOWA", APART FROM THE MARK AS SHOWN.

The color(s) red, white, blue, and black is/are claimed as a feature of the mark.

The mark consists of a black steer with the number 80 printed on its side in white. The steer stands in front of an interstate-type shield that is red on top and blue on the bottom with a narrow white stripe between the top and bottom. The word IOWA is printed in white letters on the red portion of the shield.

The certifier will authorize persons to use this certification mark to certify that the goods in connection with which it is used are produced and processed according to specifications that include individual animal genetics, individual animal identification, source and age verification, ration, number of days on feed in an Iowa feedlot, maximum age of animals at harvest, official USDA beef grades, and minimum number of days the beef is aged. List of certification standards: Each steer and heifer harvested for IOWA-80 beef animals is (1) verified to be sired by a 100% Angus bull, (2) source verified to the farm of birth using an identification system with a unique number that identifies the animal throughout the production process, (3) fed in Iowa for a minimum of 180 days, (4) fed a high-concentrate ration that totals at least 75 percent corn or corn co-products over the feeding period; and (5) age verified and processed at 18 months of age or less. All IOWA-80 beef animals and beef products are segregated and labeled and product identity is retained throughout harvest and processing. All beef carcasses meet the quality standards for USDA grades upper one-third choice or prime.

For beef products, namely, carcasses, cuts, and offals.

TRADEMARK REGISTRATIONS ISSUED UNDER SECTION 1(d)

The following marks have registered on the Principal Register pursuant to the intent-to-use provisions of Section 1(d) of the Trademark Act of 1946, as amended.

SECTION 1.— INTERNATIONAL CLASSIFICATION

The short titles associated below with the international class numbers are terms designed merely for quick identification and are not an official part of the international classification. The full names of international classes are given in section 6.1 of the trademark rules of practice.

The designation “U.S. Cl.” appearing in this section refers to the U.S. class in effect prior to Sep. 1, 1973 rather than the international class which applies to applications filed on or after that date. For adoption of international classification see notice in the OFFICIAL GAZETTE of Jun. 26, 1973 (911 O.G. TM 210).

SECTION 2.— INTERNATIONAL CLASSIFICATION

The short titles associated below with the international class numbers are terms designed merely for quick identification and are not an official part of the international classification. The full names of international classes are given in section 6.1 of the trademark rules of practice.

The designation “U.S. Cl.” appearing in this section refers to the U.S. class in effect prior to Sep. 1, 1973 rather than the international class which applies to applications filed on or after that date. For adoption of international classification see notice in the OFFICIAL GAZETTE of Jun. 26, 1973 (911 O.G. TM 210).

SECTION 1.— INTERNATIONAL CLASSIFICATION

The short titles associated below with the international class numbers are terms designed merely for quick identification and are not an official part of the international classification. The full names of international classes are given in section 6.1 of the trademark rules of practice.

The designation “U.S. Cl.” appearing in this section refers to the U.S. class in effect prior to Sep. 1, 1973 rather than the international class which applies to applications filed on or after that date. For adoption of international classification see notice in the OFFICIAL GAZETTE of Jun. 26, 1973 (911 O.G. TM 210).
